This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

RULES OF THE LIBRARY.

1.—The Library shall be open on Wednesdays, Thursdays, and Fridays from 1 : 30 to 5 : 00 P. M. for the general public. It shall be open for pupils on Mondays and Tuesdays from 1 : 30 to 5 : 00 P. M., under regulations made by the Superintendent and Librarian.

2.—Teachers, and all pupils of the Grammar and High Schools, may draw books without special permit.

3.—The Library shall be free to all residents of the District over 15 years of age. Any person applying for a book, not known to the Librarian as a resident, shall be required to present a certificate of residence, signed by one of the Trustees.

4.—No person shall draw or have out more than one book at a time.

5.—Books of reference shall not be taken from the Library, but may be consulted during school hours, on application to the Principal of the High School.

6.—Any person drawing a book from the Library shall return the same to the Librarian within two weeks if it be a duodecimo, and in three weeks if it be one of larger size.

7.—Any person failing to return any book drawn, within the time above specified, shall be liable to pay a penalty of five cents for a duodecimo, and ten cents for a book of larger size, for each and every week thereafter, until the same be returned.

8.—If any book be kept longer than four weeks, the Librarian shall send for it, in which case the drawer shall pay ten cents in addition to fine under Rule 7.

9.—No one shall lend a book drawn from the Library.

10.—Any person who loses, destroys, or fails for eight weeks to return any book, shall pay its price, to be fixed by the Superintendent; and if any such book be one of a set or series, he shall pay the price of the set, or replace the book, at the option of the Board.

11.—Any person failing to comply with the foregoing rules shall not be allowed the privileges of the Library until he has complied therewith.

RULES FOR THE LIBRARIAN.

1.—The Librarian shall have immediate charge of the Library, excepting such books as are classified as "Books of Reference," which shall be in charge of the Principal of the High School, and shall allow no books to be taken from the shelves except by himself or assistants.

2.—He shall keep an account of all books drawn, as well as all penalties assessed or collected for violation of rules.

3.—He shall, at the end of each term, render to the Board an itemized account of all fines collected, and pay the same to the Secretary.

4.—At the close of the summer term, he shall make out and submit to the Board a report, embracing a statement of—

(*a.*) The number of volumes in the Library at the close of the last school year;

(*b.*) The number of volumes added during the year by purchase or donation;

(*c.*) The whole number of volumes then in the Library;

(*d.*) The number of volumes lost or destroyed during the year;

(*e.*) The number of persons drawing books;

(*f.*) The whole number of books drawn;

(*g.*) And such other items or suggestions as he shall deem necessary or of interest.
